Attention: Federal Resources Branch, Room 3500  
for Garland Hagen

Dear Mr. van Loben Sels:

SUBJECT: COFCG FTIP AMENDMENT No. 6; LOCAL ADJUSTMENT No. 1

We have completed our review of the Council of Fresno County Governments' (COFCG) Amendment No. 6 and Local Adjustment No. 1 to its 1996/99 Federal Transportation Improvement Program (TIP) that were submitted with your letter dated May 6, 1997. This amendment was adopted by COFCG through resolution No. 97-08 dated March 27, 1997. We accept this amendment in accordance with 23 CFR 450 as revised by the Metropolitan Planning Rule issued October 28, 1993, and effective November 29, 1993.

We find that this COFCG TIP amendment was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134. The projects included in this amendment are exempt from the requirement that a conformity determination be performed [40 CFR 93.134].

This finding has been coordinated with the Regional office of the Environmental Protection Agency (EPA), and the Region nine office of the Federal Transit Administration (FTA) in accordance with the procedures outlined in the Memorandum of Understanding on single mode TIP Amendments (dated March 8, 1996).

This letter also constitutes approval, and inclusion of COFCG's TIP Amendment No. 6 and Local Adjustment No. 1 into California's 1996/1997 Federal Statewide Transportation Improvement Program (FSTIP). Our approval is based on Caltrans' assurance that the funding for the projects in this amendment is already within the approved FSTIP Financial Plan, and therefore do not adversely impact the FSTIP Financial Plan.

Sincerely,

For  
David H. Densmore  
Division Administrator
